ALMEY, Flowering Crab

New! Fiery Crimson! Sensational!

Almey takes its place as the most beautiful flowering crab in America. The tree is upright, vigorous and hardy. Almey blooms young.

ARROW — Purple blooms about 1 week later than Almey extends your blooming season. Flowers completely cover the tree and are followed by small oxblood red crab apples which hang on late. Foliage tinged with red when young. Vigorous grower.

TOMIKO — This has the best purple foliage of any of the Rosybloom group, and is so valued. Lavender flowers add to the beauty of this second generation cross in the Rosybloom group.

2- 3 feet whips.....	75c each

SUNDOG — Flowering Crab — Pyramidal
